“DAMMIT, JIM. I’M AN ALUM!”

So it’s been a few trips around the sun since the Class of ’75’s production of *Scar Trek*. Fortunately, catching up with the crew at Medical Alumni Association Weekend this May 15–18 is as good as traveling back in time—but without those beehive-mussing warp speeds. While you’re aboard, don’t miss brunch with the captain (er, dean) and the highly illogical antics of Scope and Scalpel, celebrating 60 long and prosperous years. Phasers on pun!

The full reunion schedule appears on the other side of this cover.

Reunion Classes:

1955, 1960, 1965, 1970
1975, 1980, 1985, 1990
1995, 2000, 2005
